of Matters to the Bankruptcy Judges” of the United States District Court for the Eastern District of New York (Weinstein, C.J.) dated August 28, 1986.

6. Venue is proper in this district pursuant to 28 U.S.C. § 1409(a) because this proceeding arises in a case under the Bankruptcy Code pending in this district.

BACKGROUND

7. On November 29, 2016 (the “Petition Date”), the Debtor filed a voluntary petition for relief under chapter 11 of Title 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Eastern District of New York (the or this “Court”).

8. On the Petition Date, an application to employ KWJS&S as attorneys for the Debtor was filed (the “KWJS&S Retention Application”) [Docket No. 17]. The KWJS&S Retention Application was granted by order of the Court dated January 5, 2017 and the retention was approved *nunc pro tunc* to the Petition Date (the “KWJS&S Retention Order”) [Docket No. 136]. A copy of the KWJS&S Retention Order is annexed hereto as **Exhibit A**.

9. On December 21, 2016, the Court entered the *Order Pursuant to 11 U.S.C. §§ 105(a) and 331 Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* (the “Interim Compensation Order”) [Docket No. 117]. In accordance with the Interim Compensation Order, KWJS&S has submitted monthly fee statements throughout the Chapter 11 Case seeking interim compensation and reimbursement of expenses. - (b) On December 14, 2017, pursuant to the Interim Compensation Order, KWJS&S served its twelfth fee statement for the period from November 1, 2017 through November 30, 2017 (the "Twelfth Fee Statement"). The Twelfth Fee Statement sought (i) an allowance of \$99,134.00 as compensation for services rendered and (ii) the reimbursement of \$672.94 in expenses. As of the date hereof, KWJS&S has received a total of \$79,980.14, which represents payment for (i) 80% of KWJS&S's fees and (ii) 100% of the expenses incurred pursuant to the Twelfth Fee Statement.

As of the date hereof, KWJS&S has received a total of \$23,959.80, which represents payment for (i) 80% of KWJS&S’s fees and (ii) 100% of the expenses incurred pursuant to the Seventeenth Fee Statement.
- (h) On June 12, 2018, pursuant to the Interim Compensation Order, KWJS&S served its eighteenth fee statement for the period from May 1, 2018 through May 31, 2018 (the “Eighteenth Fee Statement”). The Eighteenth Fee Statement sought (i) an allowance of \$38,068.00 as compensation for services rendered and (ii) the reimbursement of \$311.16 in expenses. As of the date hereof, the time for filing objections to the Eighteenth Fee Statement has not passed.

10. In connection with its Fee Statements during the Third Interim Period, and pursuant to the Interim Compensation Order, by the hearing on this Application, KWJS&S expects to have received \$470,707.16 with respect to its accrued fees, with \$117,676.79 held back (the “Third Interim Holdback”).

11. During this Chapter 11 Case, KWJS&S has made two interim fee applications. On May 26, 2017, the Court signed an order (the “First Interim Order”) [DE 338] approving the first interim application filed by KWJS&S on August 28, 2017 (the “First Interim Application”) [DE 307] relating to the period from November 29, 2016 through March 31, 2017 (the “First Interim Period”). The total fees requested by KWJS&S in the First Interim Application and allowed by the Court in the First Interim Order were in the amount of \$522,896.25, which were subject to a 20% holdback in the amount of \$104,579.25 (the “First Interim Holdback”). Pursuant to the First

Interim Order, the Court authorized payment to KWJS&S of fees in the amount of \$418,317.00 and expenses in the amount of \$7,522.82.

12. On December 1, 2017, the Court signed an order (the “Second Interim Order”) [DE 456] approving the second interim application filed by KWJS&S on October 27, 2017 (the “Second Interim Application”) [DE 433] relating to the period from April 1, 2017 through September 30, 2017 (the “Second Interim Period”). The total fees requested by KWJS&S in the Second Interim Application and allowed by the Court in the Second Interim Order were in the amount of \$855,933.15, which were subject to a 20% holdback in the amount of \$171,186.63 (the “Second Interim Holdback”). Pursuant to the Second Interim Order, the Court authorized payment to KWJS&S for the following amounts: (i) fees in the amount of \$684,746.52 on account of the Second Interim Application, (ii) expenses in the amount of \$11,385.56 on account of the Second Interim Application, and (iii) fees in the amount of \$104,579.25 on account of the First Interim Holdback.

13. KWJS&S has not entered into any agreement, express or implied, with any other party for the purpose of fixing or sharing fees or other compensation to be paid for professional services rendered in this case. No promises have been received by KWJS&S as to compensation in connection with this Chapter 11 Case other than in accordance with the provisions of the Bankruptcy Code.

SUMMARY OF SERVICES RENDERED

14. In conformity with the United States Trustee Guidelines For Reviewing Applications For Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330, dated January 30, 1996 (the “U.S. Trustee Guidelines”) and the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under

United States Code by Attorneys in Large Chapter 11 Cases (the “Large Case Guidelines”), KWJS&S has segregated its time entries during the Third Interim Period into the following project categories, which correspond to the major tasks undertaken by KWJS&S during the same period:

- A. Asset Analysis and Recovery
- B. Asset Disposition – Brookhaven Campus
- C. Asset Disposition – Brookhaven Dorms
- D. Asset Disposition – General
- E. Asset Disposition – Oakdale Campus
- F. Asset Disposition – Residential Portfolio
- G. Asset Disposition – Restricted Assets
- H. Case Administration
- I. Claims Administration and Objection
- J. Corporate Governance and Board Matters
- K. Employment Benefits and Pensions
- L. Employment and Fee Application Objections
- M. Employment and Fee Applications
- N. Financing and Cash Collateral
- O. Litigation
- P. Litigation – WARN Adversary Proceeding
- Q. Meeting and Communications with Creditors
- R. Non-Working Travel
- S. Plan and Disclosure Statement
- T. Relief from Stay and Adequate Protection

15. In this section of the Application, KWJS&S describes, in summary fashion, the services performed during the Third Interim Period by project category.

A. Asset Analysis and Recovery

16. The “Asset Analysis and Recovery” project category includes time charges by KWJS&S in relation to time spent evaluating the Debtor’s student accounts receivable and pursuing collection thereof and investigating certain trust agreements where the Debtor was named a beneficiary in order to maximize value for the estate.

17. A total of 3.80 hours amounting to \$1,965.00 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S’s prospective

budget for the Third Interim Period was \$4,468.75 for this project category. Since the fees sought by KWJS&S for this category during the Third Interim Period were \$1,965.00 KWJS&S's actual fees incurred for this project category would appear to be under the budget.²

B. Asset Disposition – Brookhaven Campus

18. The “Asset Disposition – Brookhaven Campus” project category encompasses activities related to the Debtor’s intended disposition of the estimated 105 acres of land located at 1300 William Floyd Parkway, Shirley, Town of Brookhaven, New York (the “Brookhaven Campus”). The Debtor is utilizing the Chapter 11 process to effectuate an orderly liquidation of its assets and wind down of its affairs. KWJS&S has been instrumental in this process, working closely with representatives from the Debtor, the Official Committee of Unsecured Creditors (the “Creditors’ Committee”), the DIP Lenders (as defined herein), the United States Trustee (the “U.S. Trustee”), the real estate professionals, and various other parties-in-interest, to address numerous issues that have arisen in connection with the sale of the Brookhaven Campus.

19. During the Third Interim Period, KWJS&S obtained approval of a motion establishing bidding procedures for the sale of the Brookhaven Campus. On January 31, 2018, an auction was conducted with three qualified bidders. The highest bid at the auction was \$10,200,000. After consulting with its major creditor constituencies, the Debtor was not willing to accept any of the bids received at the auction and, as a result, the auction was adjourned. Thereafter, KWJS&S, together with the Debtor’s other professionals and the Creditors’ Committee, engaged in numerous meetings and discussions with interested parties in an effort to further canvas the local developer market and better understand the likely permissible development

² The periods budgeted by KWJS&S for the Debtor were designed to correspond with financing budgets and do not match exactly with the timeframe captured by the Third Interim Period. In preparing this Application, KWJS&S combined certain budget periods that corresponded to the Third Interim Period.

options at the Brookhaven Campus in an overall effort to achieve a greater value for all creditors of the estate. As a result of these efforts, on or about May 10, 2018, a formal bid was submitted to the Debtor by Triple Five Aviation Industries LLC (“Triple Five”) for a purchase price of \$14,000,000.

20. KWJS&S regularly appeared before the Court providing the Court and interested parties with status updates as to progress in connection with the marketing and discussions with the Town of Brookhaven. KWJS&S docketed notice of Triple Five’s bid and the Debtor’s intention to seek Court approval of the Triple Five bid, subject to any higher or better qualified bids. Thereafter, no qualified bids were received by the Debtor and the Court approved the sale of the Brookhaven Campus to Triple Five. As a result of, among others, KWJS&S’s efforts, the highest and best bid was obtained for the Brookhaven Campus.

21. A total of 317.50 hours amounting to \$171,274.50 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S’s prospective budget for the Third Interim Period was \$163,125.00 for this project category. Since the fees sought by KWJS&S for this category during the Third Interim Period were \$171,274.50, KWJS&S’s actual fees incurred for this project category would appear to be over the budget. KWJS&S believes that the primary reason that fees in this category are over budget is because the length of time and effort in relation to selling the Brookhaven Campus was not fully anticipated when the budget was prepared.

C. Asset Disposition – Brookhaven Dorms

22. The “Asset Disposition – Brookhaven Dorms” project category encompasses activities related to the Debtor’s disposition of the approximately 289-bed dormitory facility located at the Brookhaven Campus (the “Brookhaven Dorm”). The sale process approved by the

Court for the sale of the Debtor's Brookhaven Campus includes the sale of the Brookhaven Dorms, which are located on the Brookhaven Campus. During the Third Interim Period, KWJS&S met with various parties in interest with respect to the marketing and valuation of the Brookhaven Dorms.

23. A total of 2.80 hours amounting to \$1,284.00 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S's prospective budget for the Third Interim Period was \$30,937.50 for this project category. Since the fees sought by KWJS&S for this category during the Third Interim Period were \$1,284.00, KWJS&S's actual fees incurred for this project category would appear to be under the budget.

D. Asset Disposition – General

24. The "Asset Disposition – General" project category includes time charges by KWJS&S in relation to assets which do not fall into the Brookhaven Campus, Brookhaven Dorms, Oakdale Campus or Residential Portfolio asset disposition project categories.

25. During the Third Interim Period, KWJS&S evaluated the potential sale of certain flight simulators, which had been excluded from the sale of the Brookhaven Campus.

26. A total of 1.20 hours amounting to \$690.00 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S's prospective budget for the Third Interim Period was \$20,718.75 for this project category. Since the fees sought by KWJS&S for this category during the Third Interim Period were \$690.00, KWJS&S's actual fees incurred for this project category would appear to be under the budget.

E. Asset Disposition – Oakdale Campus

27. The “Asset Disposition – Oakdale Campus” project category includes time charges by KWJS&S in relation to the sale of the Debtor’s 25 acre campus located at 150 Idle Hour Boulevard, Oakdale, New York 11769 (the “Oakdale Campus”).

28. During the Third Interim Period, KWJS&S attended to post-closing matters in connection with the sale of the Oakdale Campus to Mercury International, LLC, including, but not limited to, the proration of utilities, release of escrow funds, and tax related matters.

29. A total of 8.10 hours amounting to \$3,643.00 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S’s prospective budget for the Third Interim Period was \$23,062.50 for this project category. Since the fees sought by KWJS&S for this category during the Third Interim Period were \$3,643.00, KWJS&S’s actual fees incurred for this project category would appear to be under the budget.

F. Asset Disposition – Residential Portfolio

30. The “Asset Disposition – Residential Portfolio” project category includes time charges by KWJS&S in relation to the sales of the thirty-two (32) parcels of predominantly residential property and associated personal property owned by Dowling, most of which are improved by single family residences, surrounding the Oakdale Campus (the “Residential Portfolio”).

31. During the Third Interim Period, KWJS&S reviewed and sought approval of sales of multiple parcels of the Debtor’s Residential Portfolio in accordance with the procedures approved by the Court. Pursuant to such procedures, once a contract was fully executed for a parcel of the Residential Portfolio, KWJS&S prepared and filed a sale notice and, unless any objections were filed, a certification enabling the sale to close. KWJS&S also reviewed and

negotiated contracts of sale, then attended closing of title on each of the sales that occurred during the Third Interim Period.

32. A total of 149.20 hours amounting to \$56,078.50 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S's prospective budget for the Third Interim Period was \$40,000.00 for this project category. Since the fees sought by KWJS&S for this category during the Third Interim Period were \$56,078.50, KWJS&S's actual fees incurred in this project category were over the budget because, among other things, the full extent of the role of KWJS&S in fulfillment of the disposition procedures and execution and closing of the various sales was unknown or underestimated when the budget was prepared.

G. Asset Disposition – Restricted Assets

33. The “Asset Disposition – Restricted Assets” project category includes time charges by KWJS&S in relation to assets, including bank accounts that contain restricted funds which must be safeguarded (the “Restricted Funds”) or property that is deemed restricted because it was donated to the Debtor subject to donor-imposed restrictions (the “Restricted Assets”).

34. During the Third Interim Period, KWJS&S analyzed documentation and conducted legal research to determine the Debtor's interest in certain bank accounts and thereafter filed a motion seeking authorization to use the funds held in the unrestricted prepetition bank accounts as cash collateral in a manner consistent with applicable lien rights. On January 29, 2018, the Court entered an order authorizing the Debtor to transfer approximately \$570,000 in unrestricted funds to the DIP bank accounts [DE 484].

35. A total of 42.90 hours amounting to \$20,015.50 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S's prospective budget for the Third Interim Period was \$35,000.00 for this project category. Since the fees sought

by KWJS&S for this category during the Third Interim Period were \$20,015.50, KWJS&S's actual fees incurred for this project category would appear to be under the budget.

H. Case Administration

36. The "Case Administration" project category includes time charges by KWJS&S in relation to conversations concerning the operation and administration of this Chapter 11 Case. KWJS&S has been responsible for monitoring the Chapter 11 Case on a daily basis and advising the Debtor with respect to the administration of the Chapter 11 Case.

37. During the Third Interim Period, KWJS&S maintained frequent communication with representatives of the Debtor, counsel to the Creditors' Committee, the DIP Lenders, the U.S. Trustee and other parties-in-interest, responding to inquiries and providing relevant information as requested by the parties. KWJS&S endeavored to maintain a constructive dialogue with each of the creditor constituencies which enabled it to assist the Debtor in resolving issues on a consensual basis. In addition, KWJS&S held certain internal meetings to discuss the status of the Chapter 11 Case and matters that needed to be addressed.

38. Throughout the Third Interim Period, KWJS&S filed numerous pleadings with the Court and prepared for court hearings, including drafting and submitting required agendas and proposed orders. KWJS&S worked closely with the Debtor's claims and noticing agent to ensure proper service of all the pleadings. Prior to the court hearings, KWJS&S met with other parties to prepare for the hearings. KWJS&S additionally reviewed and filed monthly operating reports for the Debtor.

39. A total of 83.40 hours amounting to \$39,662.00 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S's prospective budget for the Third Interim Period was \$95,625.00 for this project category. Since the fees sought

by KWJS&S for this category during the Third Interim Period were \$39,662.00, KWJS&S's actual fees incurred for this project category would appear to be under the budget.

I. Claims Administration and Objections

40. The "Claims Administration and Objections" project category includes time charges by KWJS&S in relation to activities undertaken in connection with the claims asserted in the Chapter 11 Case.

41. During the Third Interim Period, KWJS&S continued to analyze filed claims with a focus on priority claims, reconciled such claims with the Debtor's schedules and conducted legal research in order to determine their proper treatment. As part of this effort, KWJS&S engaged in numerous discussions with the United States Department of Education (the "DOE") and New York State Department of Labor (the "DOL") to attempt to reach a settlement on the claims asserted by the DOE and DOL. In addition, KWJS&S prepared amended schedules based upon the claims analysis it performed.

42. A total of 91.60 hours amounting to \$36,520.00 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S's prospective budget for the Third Interim Period was \$112,500.00 for this project category. Since the fees sought by KWJS&S for this category during the Third Interim Period were \$36,520.00 KWJS&S's actual fees incurred for this project category would appear to be under the budget.

J. Corporate Governance and Board Matters

43. The "Corporate Governance and Board Matters" project category includes time charges by KWJS&S in matters related to the Debtor's Board of Trustees (the "Board"). KWJS&S communicated with the Board and advised them on the status and material developments of the Chapter 11 Case. KWJS&S prepared for and participated in calls of the Debtor's Board, gave

summary presentations to the Board and advised the Board in order to assist it in making critical decisions related to the Chapter 11 Case.

44. A total of 5.60 hours amounting to \$3,274.000 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S's prospective budget for the Third Interim Period was \$62,343.75 for this project category. Since the fees sought by KWJS&S for this category during the Third Interim Period were \$3,274.00, KWJS&S's actual fees incurred for this project category would appear to be under the budget.

K. Employee Benefits and Pensions

45. The "Employee Benefits and Pension" project category includes time charges by KWJS&S in relation to various employee matters, including pension plan withdrawal liability.

46. A total of 2.10 hours amounting to \$1,141.50 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S's prospective budget for the Third Interim Period was \$10,687.50 for this project category. Since the fees sought by KWJS&S for this category during the Third Interim Period were \$1,141.50, KWJS&S's actual fees incurred for this project category would appear to be under the budget.

L. Employment and Fee Application Objections

47. The "Employment and Fee Application Objections" project category includes time charges by KWJS&S in relation to the review of monthly fee statements filed by certain of the Debtor's retained professionals and counsel to the Creditors' Committee and reviewing such professionals' fee applications.

48. A total of 9.50 hours amounting to \$3,943.00 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S's prospective budget for the Third Interim Period was \$35,000.00 for this project category. Since the fees sought

by KWJS&S for this category during the Third Interim Period were \$3,943.00, KWJS&S's actual fees incurred for this project category would appear to be under the budget.

M. Employment and Fee Applications

49. The "Employment and Fee Applications" project category includes time charges by KWJS&S in relation to KWJS&S's fee applications and the retention of the Debtor's professionals.

50. During the Third Interim Period, KWJS&S prepared, filed and obtained approval of its second interim fee application and prepared and filed its monthly fee statements during the Third Interim Period. KWJS&S additionally assisted the Debtor's numerous professionals with the preparation and filing of their fee statements and second interim fee applications.

51. A total of 64.90 hours amounting to \$18,383.00 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S's prospective budget for the Third Interim Period was \$43,000.00 for this project category. Since the fees sought by KWJS&S for this project category during the Third Interim Period were \$18,383.00, KWJS&S's actual fees incurred for this project category were under the budget.

N. Financing and Cash Collateral

52. The "Financing and Cash Collateral" project category includes time charges by KWJS&S in relation to the time and effort spent by KWJS&S in securing the continuing use of cash collateral and related financing in connection with that certain Debtor-in-Possession Multi-Draw Term Loan Promissory Note dated as of November 29, 2016, by and among the Debtor and each lender party thereto (collectively, the "DIP Lenders") and UMB Bank, National Association in its capacity as agent on behalf of the DIP Lenders (the "DIP Note").

53. During the Third Interim Period, KWJS&S reviewed various budgets and negotiated and entered into extensions of the Debtor's financing and use of cash collateral. In addition, KWJS&S facilitated the negotiations on the application of proceeds from the sale of certain of the Debtor's assets among the secured creditors.

54. A total of 36.80 hours amounting to \$20,127.00 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S's prospective budget for the Third Interim Period was \$41,562.50 for this project category. Since the fees sought by KWJS&S for this category during the Third Interim Period were \$20,127.00, KWJS&S's actual fees incurred for this project category would appear to be under the budget.

O. Litigation

55. The "Litigation" project category includes time charges by KWJS&S in relation to discovery requested by the Creditors' Committee. KWJS&S responded to these discovery requests by reviewing the Debtor's books and records to locate relevant documents and redacting privileged communications.

56. A total of 40.60 hours amounting to \$22,167.00 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S's prospective budget for the Third Interim Period was \$11,406.25 for this project category. Since the fees sought by KWJS&S for this category during the Third Interim Period were \$22,167.00, KWJS&S's actual fees incurred in this project category were over the budget. KWJS&S believes that the reasons that fees in this category are over budget is because, among other things, the extent of the discovery requests by the Creditors' Committee was not fully anticipated when the budget was prepared.

P. Litigation – WARN Adversary Proceeding

57. The “Litigation – WARN Adversary Proceeding” project category includes time charges by KWJS&S in relation to the class action complaint filed two (2) days after the Petition Date by a former employee on behalf of herself and a class of similarly situated former employees of the Debtor, which alleges that the Debtor did not provide 60 days’ advance written notice of a mass layoff as required by the Worker Adjustment and Restraining Notification Act (the “WARN Complaint”).

58. During the Third Interim Period, KWJS&S, on behalf of the Debtor, continued settlement discussions with plaintiff’s counsel and in connection therewith prepared numerous WARN Act damage calculation scenarios. KWJS&S also performed an initial WARN Act damage calculation for part time employees.

59. A total of 203.00 hours amounting to \$84,385.00 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S’s prospective budget for the Third Interim Period was \$38,812.50. Since the fees sought by KWJS&S for this category during the Third Interim Period were \$84,385.00, KWJS&S’s actual fees incurred in this project category were over the budget. KWJS&S believes that the reasons that fees in this category are over budget is because, among other things, the extent of the analysis required to be undertaken in connection with the evaluation and negotiation of the WARN litigation was unknown or underestimated at the time of budgeting.

Q. Meetings and Communications with Creditors

60. The “Meetings and Communications with Creditors” project category includes time charges by KWJS&S in relation to inquiries from creditors relative to the status of the Chapter 11 Case.

61. A total of .20 hours amounting to \$115.00 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S's prospective budget for the Third Interim Period was \$30,937.50 for this project category. Since the fees sought by KWJS&S for this category during the Third Interim Period were \$115.00, KWJS&S's actual fees incurred for this project category would appear to be under the budget.

R. Non-Working Travel

62. The "Non-Working Travel" project category includes time charges by KWJS&S for KWJS&S attorneys who were required to travel to, among other places, Central Islip for court hearings and the Brookhaven Campus for meetings.

63. A total of 39.30 hours amounting to \$11,105.45 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S's prospective budget for the Third Interim Period was \$13,437.00 for this project category. Since the fees sought by KWJS&S for this category during the Third Interim Period were \$11,105.45, KWJS&S's actual fees incurred for this project category would appear to be under the budget.

S. Plan and Disclosure Statement

64. The "Plan and Disclosure Statement" project category includes time charges by KWJS&S in relation to a chapter 11 plan and disclosure statement.

65. During the Third Interim Period, KWJS&S continued to discuss plan strategy and treatment and classification of claims with the Creditors' Committee and secured creditors and continued drafting the Debtor's plan and disclosure statement. KWJS&S expects to file the plan and disclosure statement in the near future.

66. A total of 182.60 hours amounting to \$89,015.00 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S's prospective

budget for the Third Interim Period was \$222,750.00 for this project category. Since the fees sought by KWJS&S for this category during the Third Interim Period were \$89,015.00 KWJS&S's actual fees incurred for this project category would appear to be under the budget.

T. Relief from Stay and Adequate Protection

67. The "Relief from Stay and Adequate Protection" project category includes time charges by KWJS&S in relation to responding to a motion filed by a former employee of the Debtor seeking relief from the automatic stay to permit his age discrimination and breach of contract claims to continue. KWJS&S agreed on a form of order that permitted the litigation to proceed but limited any recovery to insurance coverage.

68. A total of just 6.90 hours amounting to \$3,595.50 in fees were incurred by KWJS&S in connection with this project category during the Third Interim Period. KWJS&S's prospective budget for the Third Interim Period was \$4,106.25 for this project category. Since the fees sought by KWJS&S for this category during the Third Interim Period were \$3,595.50 KWJS&S's actual fees incurred for this project category would appear to be under the budget.

TIME AND DISBURSEMENT RECORDS AND STAFFING

69. The services performed by KWJS&S for and on behalf of the Debtor in connection with the above matters during the Third Interim Period are detailed and itemized in full in the time and disbursement logs annexed hereto as **Exhibit B**. 71. The total fees requested for the services rendered in connection with this Chapter 11 Case during the Third Interim Period amounts to \$588,383.95 (after accounting for written off time) based upon a total of 1,292.00 hours. The blended hourly rate for all services provided during the Third Interim Period is \$455.41.

LEGAL AUTHORITY FOR REQUESTED COMPENSATION

72. Section 330(a)(1) of the Bankruptcy Code provides that a bankruptcy court may award “reasonable compensation for actual, necessary services rendered by the trustee, examiner, professional person, or attorney and by any paraprofessional person employed by any such person; and . . . reimbursement for actual, necessary expenses.” 11 U.S.C. §330(a)(1).

73. There are numerous factors to be considered by the Court in determining allowances of compensation. See, e.g., In re First Colonial Corp. of America, 544 F.2d 1291 (5th Cir.), cert. denied, 431 U.S. 904 (1977); Johnson v. Georgia Highway Express, Inc., 488 F.2d 714 (5th Cir. 1974); In re Drexel Burnham Lambert Group Inc., 133 B.R. 13 (Bankr. S.D.N.Y. 1991). See also In re Nine Associates, Inc., 76 B.R. 943 (S.D.N.Y. 1987); In re Cuisine Magazine, Inc., 61 B.R. 210 (Bankr. S.D.N.Y. 1986).

74. The perspective from which an application for an allowance of compensation should be viewed in a reorganization case was aptly stated by Congressman Edwards on the floor of the House of Representatives on September 28, 1978, when he made the following statement in relation to section 330 of the Bankruptcy Code:

[B]ankruptcy legal services are entitled to command the same competency of counsel as other cases. In that light, the policy of this section is to compensate attorneys and other professionals serving in a case under title 11 at the same rate as the attorney or other professional would be compensated for performing comparable services other than in a case under title 11. Contrary language in the Senate report accompanying S.2266 is rejected, and Massachusetts Mutual Life Insurance Company v. Brock, 405 F.2d 429, 432 (5th Cir. 1968) is overruled. Notions of economy of the estate in fixing fees are outdated and have no place in a bankruptcy code.

124 Cong. Rec. H11,092 (daily ed. Sept. 28, 1978). See also In re McCombs, 751 F.2d 286 (8th Cir. 1984); In re Drexel Burnham Lambert Group Inc., 133 B.R. 13 (Bankr. S.D.N.Y. 1991); In re

Carter, 101 B.R. 170 (Bankr. D.S.D. 1989); In re Public Service Co. of New Hampshire, 93 B.R. 823, 830 (Bankr. D.N.H. 1988); In re White Motor Credit Corp., 50 B.R. 885 (Bankr. N.D. Ohio 1985).

75. In awarding compensation pursuant to section 330 of the Bankruptcy Code to professional persons employed under the Bankruptcy Code, the Court must take into account, among other factors, the cost of comparable non-bankruptcy services. Section 330 of the Bankruptcy Code provides, in pertinent part, for payment of: (a) reasonable compensation for actual, necessary services rendered by the trustee, examiner, professional person, or attorney and by any paraprofessional persons employed by such person; and (b) reimbursement for actual, necessary expenses. 11 U.S.C. § 330(a)(1).

76. As the court in In re Drexel Burnham Lambert Group Inc., 133 B.R. 13 (Bankr. S.D.N.Y. 1991), stated:

With due recognition of the historical position of Bankruptcy Courts in compensation matters, we recognize that creditors have agreed to pay rates for retained counsel of their choice because of the needs of the particular case. One could posit other situations or cases where a presumption of prior informed judgment might not be as strong. Here, however, we have a multi-debtor, multi-committee case involving sophisticated creditors who have determined that the rates charged and tasks undertaken by attorneys are appropriate. *We should not, and will not, second guess the determination of those parties, who are directed by Congress, under the Bankruptcy Code, to shape and resolve the case, and who are in fact bearing the cost.* To do so, of course, would be to continue what Congress specifically intended to stop in 1978: Courts, instead of markets, setting rates, with the inevitable consequence that all the legal specialists required by the debtor or official committees would demur to participate.

Drexel, 133 B.R. at 20-21 (emphasis added).

77. The professional services rendered by KWJS&S have required an expenditure of substantial time and effort. During the Third Interim Period, 1,292.00 recorded hours have been

expended by KWJS&S professionals and paraprofessionals in rendering the required services for which KWJS&S seeks compensation.

78. Time and labor devoted, however, is only one of the many factors to be considered in awarding attorney compensation. The number of hours expended must be considered in light of (i) the amount involved and the results achieved to date; (ii) the novelty and difficulty of the questions presented; (iii) the skill requisite to perform properly the legal services; (iv) the preclusion of other employment on behalf of other clients; (v) the customary fee charged to a private client for the services rendered; (vi) awards in similar cases; (vii) time constraints required by the exigencies of the case, including the frequency and amount of time required to be devoted other than during regular business hours; (viii) the experience, reputation and ability of the attorneys rendering services; and (ix) the nature and length of the professional relationship with the client (the “Johnson Factors”). See Johnson v. Georgia Highway Express, 488 F.2d at 717-19 (enumerating factors to be considered in awarding attorneys' fees in equal employment opportunities cases under Title VII); In re First Colonial Corp. of America, 544 F.2d at 1294 (applying the Johnson Factors in bankruptcy cases).

79. The majority of the Johnson Factors are codified in section 330(a) of the Bankruptcy Code and have been applied by various courts in making determinations that requested attorneys' fees constitute reasonable compensation. However, it is well settled that the “lodestar method,”³ as opposed to an application solely of the Johnson Factors, is the best means of

³ Application of the “lodestar method” involves multiplying the number of hours reasonably expended on the case by the reasonable hourly rate of compensation for each attorney. Shaw v. Travelers Indemnity Co. (In re Grant Assocs.), 154 B.R. 836, 843 (S.D.N.Y. 1993). This method of calculating attorney fees is appropriate in light of section 330(a) of the Bankruptcy Code, which serves as a starting point, permitting bankruptcy courts, in their own discretion, to consider other factors, such as the novelty and difficulty of the issues, the special skills of counsel, and their results obtained. In re Copeland, 154 B.R. 693, 698 (Bankr. W.D. Mich. 1993).

determining attorney fees in bankruptcy cases⁴. In fact, the Supreme Court has clearly articulated that the “lodestar method” is presumed to subsume the Johnson Factors, as does section 330(a) of the Bankruptcy Code. Delaware Valley I, 478 U.S. at 563; Cena's Fine Furniture, 109 B.R. at 581.

80. KWJS&S respectfully submits that the services rendered and expenses incurred during the Third Interim Period for which KWJS&S seeks compensation and reimbursement clearly satisfy the requisite standards of reasonableness including, inter alia, the following: the time and labor required; the novelty and difficulty of the questions and matters resolved; the skill required to perform the services properly; the experience, reputation and ability of the attorney performing the services; the fees charged and fees awarded in similar cases; the time involved; the undesirability of the case; and the results obtained. KWJS&S respectfully submits that application of the foregoing criteria more than justifies awarding payment in full of the compensation requested in this Application since the number of hours expended by and the hourly rates of KWJS&S are more than reasonable.

⁴ See e.g., Pennsylvania v. Delaware Valley Citizens Counsel for Clean Air, 483 U.S. 711 (“Delaware Valley II”), on remand, 826 F.2d 238 (3d Cir. 1987); Pennsylvania v. Delaware Valley Citizens Council for Clean Air, 478 U.S. 546 (1986) (“Delaware Valley I”); United States Football League v. National Football League, 887 F.2d 408, 413 (2d Cir. 1989), cert. denied, 493 U.S. 1071 (1990); Lindy Bros. Builders Inc. v. American Radiator and Standard Sanitary Corp., 487 F.2d 161 (3d Cir. 1973), vacated on other grounds, 540 F.2d 102 (3d Cir. 1976); In re Cena's Fine Furniture, Inc., 109 B.R. 575 (E.D.N.Y. 1990); In re Drexel Burnham Lambert Group Inc., 133 B.R. 13, 21 (Bankr. S.D.N.Y. 1991).

WHEREFORE, KWJS&S respectfully requests that it be granted (i) a third allowance of compensation for professional services rendered as general bankruptcy counsel to the Debtor for the Third Interim Period in the amount of \$588,383.93; (ii) reimbursement of its actual and necessary disbursements totaling \$5,738.26; and (iii) such other and further relief as is just and proper.

6. The following is provided in response to the questions set forth in Paragraph C.5 of the Large Case Guidelines:

Question: Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees or terms for services pertaining to this engagement that were provided during the application period?

Response: No.

Question: If the fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Response: Yes.

Question: Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

Response: No.

Question: Does the fee application include time or fees relating to reviewing or revising time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application). If so, please quantify by hours and fees.

Response: No. As set forth in the Application, upon further review of KWJS&S's time entries, KWJS&S has determined to voluntarily write off twenty-nine (29) time entries totaling \$7,997.00 for time related to preparing, reviewing, or revising the Fee Statements.
